Mr. Longman,

Your application has succeeded, and we are very interested in bringing your company on board as a contractor.

We propose a contract for the completion of your bid 'Kinetic Strike System' codename Aegis as the proof-of-concept that - if successful - could mean that we want to bring Brighthouse Industries on board as a permanent military contracting partner.

Please prepare the required documents from your company - you will receive the contract packet from our liaison soon, who will guide the process along so that we can begin as soon as possible.

Respectfully,

Brigadier General Silas Vance West Coast State Military
